

KidVentions

August 8, 2009 Registration (FREE)

Kids have the best imaginations and they aren't afraid to act on it. But often their gifts and talents are overlooked and that's why the organizers of Georgia Black Business Expo created *KidVentions/Teenventions*. *KidVentions* is a competition that showcases inventions of Kids ages 6-17 whom have produced innovative products / services. *KidVentions* will aid in GBBE's mission to empower children and instill confidence, as well as the value of entrepreneurship and ultimately, promote family interaction. Kids your not to young to create what you imagine and be your own boss (that's after mom and dad has given you permission to do so). 😊
